Invite You to the

LEVELDALE FARMS

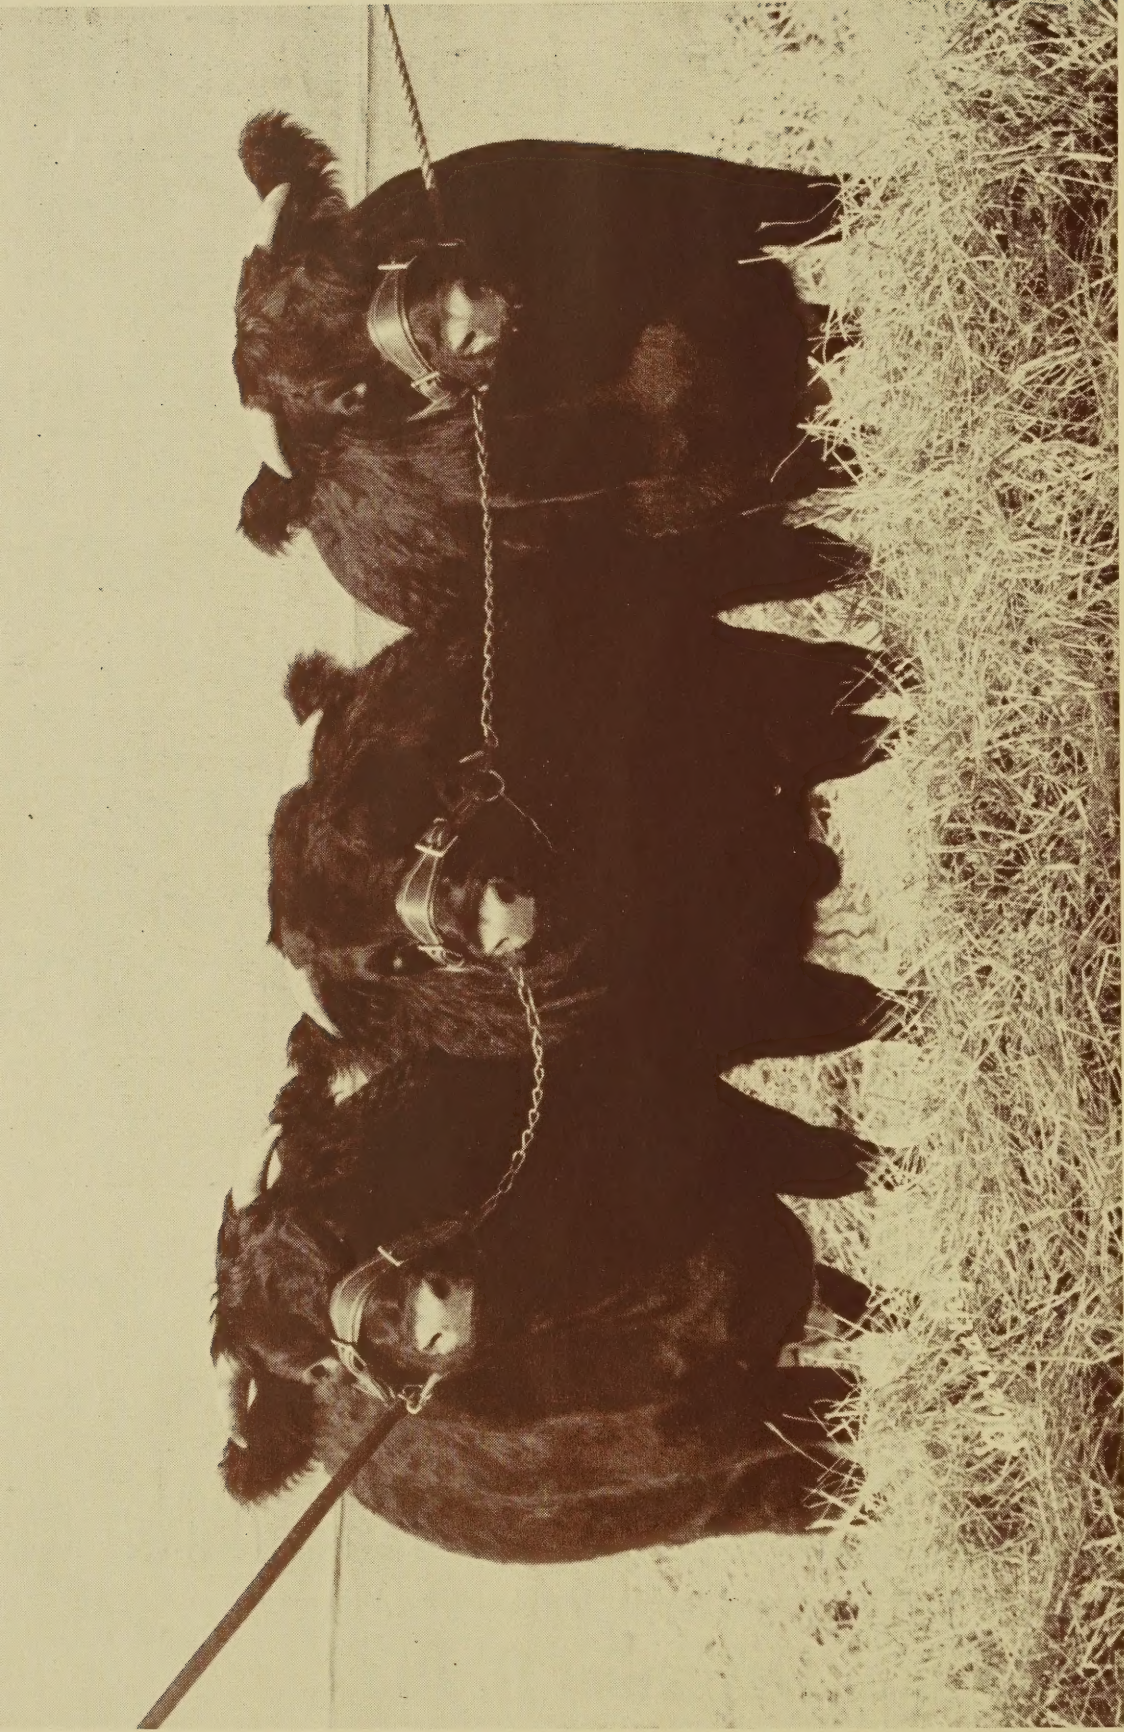

AUCTION SALE

of imported and home bred **SCOTCH SHORTHORNS**

To be held at Leveldale Farms, Mason City, Illinois

Monday, November 9, 1953

HAL LONGLEY, Sale Manager, 16 S. Locust St., Aurora, Illinois

Leveldale Freda Rosebud, Leveldale Blythesome 2nd and Leveldale Clipper 5th, typical Leveldale productions that stood first, second and third in the senior yearling heifer class at the 1953 Illinois State Fair. The first named will sell in this sale as Lot 17. She was the grand champion female at the 1953 Iowa and Indiana State Fairs and reserve grand champion at the Illinois and Kentucky State Fairs.

General Information

A breeding list, showing all service dates, will be provided on sale day. A good many breeding dates are printed in this catalog and we believe them to be correct as of the time of printing. However, breeding dates do change and we want it expressly understood that announcements from the auction block on sale day will take precedence over printed matter in this catalog.

LOCATION—This sale will be held on **Monday, November 9, 1953, at Mathers Bros. Farm, Mason City, Illinois.** Mason City is just half way between Peoria and Springfield on Route 29. The farm is located 5 miles West and 1 mile North of Mason City. Take paved Highway 10 West out of Mason City 5 miles to the town of Teheran. Then turn 1 mile North to farm. Please note that the sale will be held on the West Farm. Go one mile North of Teheran and turn one-quarter mile West. Gravel road right to the farm. Parties coming from the West should come to Havanna, Illinois, then take Route 10 directly to Teheran.

Sale will start promptly at 1 p.m. Lunch will be served at the farm by the ladies of the church.

There are comfortable hotels and tourist cabins in Mason City and Lincoln, Illinois. We will be glad to arrange accommodations for those who arrive the day ahead of the sale. Write L. E. Mathers or Hal Longley.

Those traveling by rail should come to either Lincoln, Springfield or Peoria from which cities frequent busses leave for Mason City, Illinois. We will be glad to meet parties in any of these cities if advance notice is provided.

Those who wish to secure further information about the cattle in this sale or regarding travel accommodations either by train, bus or auto should get in touch with Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.

The auctioneers will be J. E. Halsey, C. D. Swaffar and H. P. Miller.

Please note—

Since this sale is to be held on a Monday, we hope those who are interested will arrive on Sunday, November 8th for a visit with us and a leisurely inspection of the sale offering, the breeding herd and the herd bulls. Please advise us in advance if you intend to arrive on Sunday so we can arrange proper hotel accommodations.

Please note also—

Our friends and neighbors, Ralph Bivin and Ben W. Lake are holding a sale at the Bivin Farm, Waverly, Illinois on November 10th, the day following our sale. The distance is about 50 miles. We want you to attend this sale. We will gladly assist in assembling any cattle purchased in this sale with those purchased at Leveldale.

These three beautiful heifers will give you a hint of the quality to be found in this sale. All are included in the 1953 offering. From left to right they are: Leveldale Nonpareil 2nd, Lot 22, Leveldale Gold Bud, Lot 26A, and Leveldale Lavender 4th, Lot 21.

ALTHOUGH the records prove that a lot of famous bulls and females have been bred or imported by L. E. Mathers and L. E. Mathers, Jr., good judges who have inspected the 16 bulls and 50 females listed in the 1953 sale agree that they are the best in Mathers history . . . and the best that will sell **anywhere** this year.

Your hosts at Leveldale Farms
L. E. Mathers, L. E. Mathers III and L. E. Mathers, Jr.

Welcome to Leveldale!

After planning and working for a year to try to improve on our show herd and sale list we are always thrilled to have so many of our friends visit us on sale day. We have tried very hard to have each and every animal offered of such quality that they will all be profitable investments for their new owners.

It is gratifying to know that most of the cattle sold in the past sales have been good investments.

We are certain that the 1953 offering includes stock bulls of top quality and females that are capable of producing such bulls.

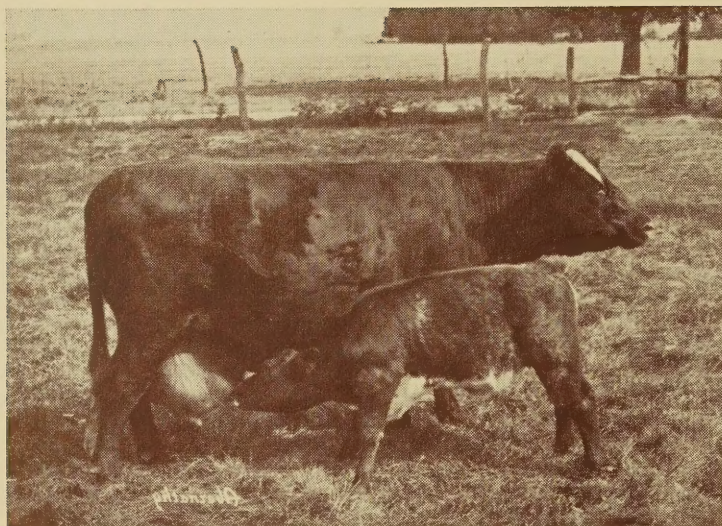

We are offering a big part of our show herd and you will be amazed how nearly the other bulls and heifers offered approach the quality of our winners.

To keep faith with our customers we feel that we must divide the best with you.

Come to Leveldale and enjoy the day on November 9. Our sincere hope is that whether you buy or not the day will be profitable for you. The best people on earth will be here . . . your own friends.

The Mathers Families.

THE LEVELDALE INVESTMENT SALE

And there is also a great story in the picture at the left. This is Pittodrie Rothas Fides by Bap-ton Upright. She is one of the workers in the Leveldale herd. When she arrived at Leveldale in 1950 after a hard trip from Scotland, she was in considerably worse condition than any female to be sold in this sale. She was actually priced at \$1,500 and the buyer turned her down because she was so little and thin. In a little over three years she has produced: Leveldale Rothas Queen, the 1952 International grand champion and never defeated in class; Leveldale Robust, sold to Malcolm Franks of Missouri; Leveldale Rothas Queen 3rd, selling in this sale at Lot 46; and now she has Leveldale Rothas Queen 4th at side. Has she been profitable? Does she feed her calves? What do you think?

An Important Notice . . .

We will pay freight anywhere in the United States or to the Canadian border for any group of five head or more to any one purchaser.

Or . . . we will pay freight to a single point anywhere in the United States or to the Canadian border for ten lots or more purchased by a group of buyers.

We will do our best to combine shipments of single lots to save expense.

We will deliver any purchases to Chicago free of charge at the time of the International Live Stock Show.

DON'T COME TO THIS SALE ALONE. GET THE GANG FROM YOUR SECTION INTERESTED. MAKE THE TRIP TOGETHER. SHIP YOUR PURCHASES TOGETHER. SAVE MONEY.

and please bring this catalog with you to the sale.

There is a convincing story in the picture on this page. These are Leveldale cows at work. They are all imported cows with great production records. In this group are the dams of the following noted animals:

- Leveldale Regard—sold to John Impson of Texas
- Leveldale Referee—reserve champion at Illinois 1953 (Lot 8)
- Leveldale Beauty (Lot 51)
- Leveldale Broadhooks 4th (Lot 48)
- Leveldale Lavender 3rd (Lot 41)
- Leveldale Client—sold to Ward Wamsley of Oklahoma
- Leveldale Boxer—sold at \$3,100 to Rowe & Co. of Florida and many others

Included in the group are daughters of such famous sires as:

- Uppermill Metaphor
- Cruggleton Braemar
- Beaufort Bolido
- Glassel Basilar
- Bapton Commando
- Lawton General Smutz
- Calrossie Questionnaire and others

Every calf developed at Leveldale Farms is by a great sire and out of a great cow. Every animal sold in a Leveldale Sale is an **INVESTMENT**.

From the publisher of our breed magazine

Dear Les and Gene:

Compiling this catalog has been a fascinating though somewhat discouraging job . . . fascinating because so much material is available to provide proof of the superiority of Leveldale productions and importations . . . discouraging because so much of it cannot appear due to space limitations. Although numerous pages are devoted to a record of your show winnings of the past few years, a newcomer to the industry might get the impression that Leveldale productions were not prominent prior to that time. Unless you want me to add another hundred pages to the catalog, my only means of quelling such an impression is the simple statement that those of us who have known you longest are aware that Leveldale winnings prior to 1950 were equally impressive and that the Mathers have been improvers of the breed for a third of a century.

Thousands have viewed your exhibit at the 1953 shows and have marveled at the quality. Most of them have asked whether the show herd is a fair sample of the kind you will offer in the annual Leveldale Sale. My answer has been . . . and all who have seen the sale offering seem to agree . . . that you are selling the most valuable lot in your history. And despite your warnings that you prefer all statements in this catalog to be modest, I cannot refrain from saying that the fifty head are the most valuable group any single breeding establishment has ever offered within my knowledge. Many times I have heard you stress to other breeders the importance of good heads, more bone and substance. You have certainly practiced what you preached!

I am full of admiration for you and Gene. You have bred and imported cattle that have resulted in a better breed. You have stood solidly back of them. Your Shorthorn cattle operations have resulted in a circle of friends larger and more loyal than you can possibly realize. That this circle will be enlarged through the kind you are offering this year there can be no doubt. Along with all of these friends, I wish you a very successful sale.

Sincerely yours,

Hal Longley

Publisher, The Shorthorn World.

The Parade of Leveldale Winners

S. J. O'Bryan is presented with a bronze model of a Shorthorn bull by Secretary Atlasson when Leveldale Custodian, which he bought in the 1952 Mathers sale for \$19,000, was made reserve champion of the 1952 International. In the picture is Mr. O'Bryan's daughter. Holding is L. E. Mathers, Sr.—Photo by Livestock Weekly.

This picture of Leveldale Basis was taken when he won the grand championship at Houston, Texas. At the halter is Mrs. L. E. Mathers, Jr. Judge William Cruickshank is behind the bull.

These three heifers, all exhibited by Mathers, stood first, second and third at the 1953 Illinois State Fair. They are Leveldale Freda Rosebud, Leveldale Blythesome 2d and Leveldale Clipper 5th. The first named is the undefeated grand champion female so far this year.

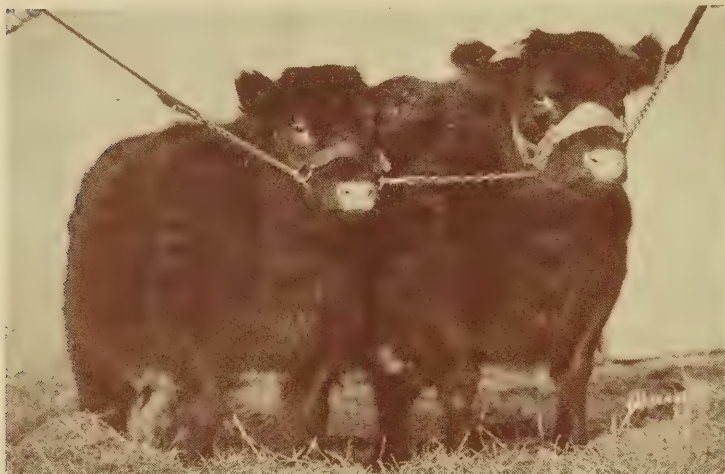

Leveldale Victoria by Corrimony Golden Sovereign, reserve junior champion female at 1952 International Live Stock Show. Bred and exhibited by L. E. Mathers and L. E. Mathers, Jr., Mason City, Illinois.

This is the first prize pair of Shorthorn bulls at the 1951 International Live Stock Exposition and at many other major shows that year. They were exhibited by Mathers Bros., Mason City, Illinois.

First prize pair of yearlings at the 1952 International . . . Leveldale Good News, grand champion bull in 1952, reserve in 1951, and Leveldale Rothes Queen, grand champion female in 1952, reserve in 1951. Bred and exhibited by L. E. Mathers and L. E. Mathers, Jr.

IMP. GLASSINGALL RESEARCH

Many times a champion, three times a first prize winner at the International Live Stock exposition, and now one of the greatest sires of the breed. The sons and daughters of Glassingall Research sold so far have brought us a total of over \$100,000. How wise it was to forego a quick profit when we refused \$10,000 for him as a junior calf. He is still going strong.

LEVELDALE CAESAR

Leveldale Caesar is considered by us as one of the two or three best bulls ever produced at Leveldale. His precocious head, great depth, short, sturdy legs are all outstanding. His sire, Elvin's Heir, chief stock bull at Thorp Metz' farm, is an outstanding sire. Cruggleton Elvin and Cruggleton Braemar were considered by Mr. Marshall as his two best bulls since Cruggleton Perfect.

Aldie May Clipper was certainly one of the greatest Shorthorn cows I have ever seen. Her grand head, great depth, heavy bone, extreme smoothness and depth of flank and fine coat of hair were all near perfection. She produced Aldie Mainliner, Leveldale Cameo, Leveldale Clipper 5th, Leveldale Caesar and Leveldale Clipper 8th for us. Leveldale Caesar won his class at the Illinois and Kentucky State Fairs in spite of his short age and was junior and reserve grand champion at Indiana. He should be unbeatable when developed.

THE LEVELDALE INVESTMENT SALE

LEVELDALE BASIS

We have no cause to feel sorry that we marked Leveldale Basis for service at Leveldale. Many tempting offers have been made and all have been refused. After winning grand championship at the 1951 Illinois State and first in class at the International of that year, we thought we had retired him permanently from the show ring. However, this bull holds his flesh so perfectly even under heavy service and came up looking so fresh at the start of this year that we decided to campaign him again. So far in 1953 he has won grand championships at Ft. Worth, Houston, Phoenix and at the Illinois, Iowa, Indiana and Kentucky State Fairs. His calves show exceptional promise and we will be out with a string of them in 1954. We are selling one of his heifers in this sale, the first to be offered, and you will like her. Those who buy his calves will get a wonderful blend of the blood of Chapelton Baronet and Bapton Upright.

THE LEVELDALE INVESTMENT SALE

THE LEVELDALE SALE

and now comes the parade of 1953 Leveldale sale animals. 16 bulls and approximately 50 females are to be sold. Nearly all are either imported or by imported sires and out of imported dams. We believe they will make strong herds stronger and a great breed greater.

16 BULLS . . .

HERD BULL POWER SELDOM FOUND IN ONE SALE.

Every bull is a good one. We have left out any bull that does not measure up to the Leveldale standard.

Study the pictures in this catalog.

Where can you find bulls with better heads?
Where can you find more quality, better
balance or stronger bone?

Study the pedigrees in this catalog.

Where can you find richer ancestry? Where
can you find pedigrees that are so com-
pletely filled with names of famous sires?

*We are not selling a few good animals in order
to get rid of a larger bunch of plain ones. . . . This
sale offering is good from start to finish. You may
travel far to buy them because their kind are seldom
found and almost never offered!*

**AND PLEASE NOTE THIS LEVELDALE GUARANTEE . . . EVERY
animal in this sale is guaranteed to be a breeder
regardless of age.**

Says Mr. Shorthorn:

Leveldale Barbarian is a stock bull from every angle. Style, symmetry, character, an alert carriage, extremely smooth, deep body on very short sturdy legs that are always under him just right. His dam was purchased at a long price at eleven months of age with the idea

that she would produce a stock bull and she delivered on the first try when mated for us to the great sire Corrimony Golden Sovereign, that also sired our undefeated junior yearling heifer over the 1952 show season and some yearling heifers in this sale that are outstanding. This is the most universally admired bull we have ever raised.

We have used Leveldale Barbarian quite a bit and expect he will prove a great sire. We hope to reserve a half interest in him for use at Leveldale.

We were unable to get a posed picture of Leveldale Barbarian, hence we are showing two unposed and unretouched snapshots. Although neither does the bull justice, they will serve to show the great depth, bone, symmetry and character of this bull.

THE LEVELDALE INVESTMENT SALE

Says Mr. Shorthorn:

Cruggleton Peglers represents a concentration of the breeding of the late A. J. Marshall wrapped up in a grand bull . . . a great head, extreme smoothness, heavy fleshing, heavy quarters and a set of heavyboned short legs.

His family, the Marshall Princess Royals, were very popular at Cruggleton. Fifty-two of them averaged 565 guineas in the dispersion. His sire sold at 3600 guineas. In Pegler's pedigree are Cruggleton Annex, Cruggleton Perfect, Cruggleton Willingdon, Cruggleton Bequest and Bridgebank Rosedene . . . just about the most powerful combination of sires used at Cruggleton.

This is one of the best Marshall bulls ever to come to the U. S. A.

Says Mr. Shorthorn:

Morphie Leveldale is massive, has rugged bone, great depth of body, and extreme width of quarter. This son of Morphie Beau Geste (the best son of Beaufort Bolido) has a grand head, extra large muzzle and the strongest neck I've ever seen on a yearling Shorthorn bull. From end to end he has strength and character.

His dam, Morphie Charity, was sold soon after arrival in this country to George Onken of Gibson City, who tells me she has produced for him a solid red bull which he will use for his next herd sire.

Says Mr. Shorthorn, Jr.:

Leveldale Referee was Junior and Reserve Grand Champion at the 1953 Illinois State Fair, a further proof of the value of a great sire when mated to great dams. Glassingall Research sons and daughters sold so far have brought in over \$100,000. How wise it was to forego a quick profit when we refused \$10,000 for Research as a junior calf. He is still going strong.

Tolquhon Rosetta Wood is a beautiful roan cow. Be sure to see her sale day. She is by Uppermill Metaphor, produced twins which sold in our 1952 sale for \$3700.00.

Consider Leveldale Referee if you need good heads, extreme smooth flesh, perfect tail heads. He is short coupled and thick.

His dam produced Leveldale Bond, the winning Junior Yearling of his year and sold to Fluard Myers at \$3650 and Leveldale Butterfly 4th, sold to Schreiber Milling Company at \$2600 as a calf. His dam is one of our best cows and a grand milker.

Says Mr. Shorthorn, Jr.:

Leveldale Blythesome 3rd is a great heifer with a great head and from one of the best Marshall families. Her half sister, Rosetta Blythesome, also a Blythesome by Cruggleton Asheton, has produced three outstanding heifers for us.

Leveldale Blythesome sold last year at \$2900 to Schrieber Milling Company. Leveldale Blythesome 2nd was undefeated in class in 1952 shows and Leveldale Blythesome 4th is in this year's show herd.

Her dam, Blythesome Nessie, is a beautiful young cow and has an outstanding calf at side this year. In calf since March 27 to Aldie Mainliner.

About the "family groups" . . .

On the following pages will be found the pedigrees of family groups. We are aware that this is a new and somewhat different method of cataloging the females but we believe it provides proof that the young cows offered are really workers. In several cases the cow, her yearling heifer and her 1953 calf are cataloged separately. Through this method, buyers may acquire them separately but there is still the opportunity to secure an entire family.

Says Mr. Shorthorn: If some far-sighted cattleman were to buy several of these entire families for the foundation of a new herd, he could reach a point of strength and quality in the purebred business in a few short years not often reached in a quarter century by those who start with haphazard selections. We can certainly recommend this Millhills Secret family of three grand females.

Rouge Avere—Certainly few more cattle bred by the late A. J. Marshall will be sold. This young cow has one of those Marshall heads. She has scale and bone and has produced Lou Avere, a show heifer by the noted Cruggleton Guthrie. In calf since July 6 to Leveldale Barbarian, the most universally admired bull we have produced to date.

"Builders of the Breed"

Not just good but "GREAT"—that is the kind we aim to produce and sell—Short-horns with that little extra touch of quality that makes them real "Builders of the Breed." That we have been importing and breeding the kind needed in America is evidenced not only by our winnings at the shows, but more especially by the results our customers have been getting from cattle purchased at Leveldale Farms.

Denton Princess 3rd is a very breedy young cow with a very sweet head. She was wintered badly as a yearling and came across in very bad condition, calved a beautiful heifer calf in Sept. '52 and nursed it well. She has made great recovery since her calf was weaned and will grow into a good cow.

Says Mr. Shorthorn:

Leveldale Princess 6th is definitely a show prospect. She was calved and lived in quarantine for six months with her two year old mother but has come on in great shape since she arrived at our farm. Weaned in June she has come on without milk and would make a good yearling if left on feed. Sired by Bapton Principal, a very rugged dark roan bull.

THE LEVELDALE INVESTMENT SALE

Letters like this make us happy . . .

Dear Les and Gene:

I thought you might be interested to learn about the first calves arriving by Morphie Welcome. They certainly are the right kind for they have what I want, namely, lots of bone, good heads, short necks, and they seem to be thick enough.

I have never regretted buying the Welcome bull for he has made many friends. He has met with approval by all who have seen him.

It surely was my gain and your loss that the bull was a bit thin sale day due to bad shipment. He has responded well and I am pleased.

Sincerely yours,

John A. Whitehead.

THE LEVELDALE INVESTMENT SALE

THE LEVELDALE GANG

Despite the fact that the work is harder and the accommodations for the care and fitting of cattle somewhat poorer than most other purebred farms, we have had wonderful success in surrounding ourselves with loyal workers. To list those who have worked and graduated from Leveldale would be to name some of the best men of the present day in the herdsman and management fields. The picture above shows the entire regular working force at Leveldale . . . Les Mathers, Gene Mathers, Joe Fangmeier, who has been at Leveldale for 20 years and who is, in our opinion, one of the world's best cowhands, and Dale McCannon, a junior herdsman who is working in well with our organization. Merl Whalin, who has been out with the Leveldale exhibit at 1953 shows was not present when this picture was taken but he has done a fine job.

We gratefully acknowledge the splendid loyalty and cooperation we have had from our helpers . . . and the thing that pleases us most is the fact that those who are still here and those who have gone to bigger jobs are still willing to say a kind word for us and our methods.

Memorandum

It is easy to make mistakes in the founding of a new herd or even in the effort to improve one already established. We can think of several we have made ourselves. The pitfalls are far fewer, however, if advantage is taken of the experience of others who have had a fair measure of success. To those of you who may be contemplating the purchase of a new herd bull, we suggest, first of all, that you visit the farm of some man who has been using one from the same source which you contemplate patronizing. Study the calves. This is the acid test. You'll find a Leveldale bred bull or a bull imported by Mathers Bros. just around the corner from most anywhere in this country. We do not hesitate to urge any prospective buyer to visit these farms. We are certain it will cause a desire to own one of the good bulls in this sale.
